## Private Policy

Luis F. Pineda, M.D., P.C. cares about protecting its patient's privacy. In the process of providing services you request, we will collect, use and share certain information you provide to us. This private policy explains what information we collect and how we use that information. The policy also explains how we protect the security and confidentiality of your information.

## Collection of Information:

We collect and retain the information necessary for us to provide appropriate care to you. In that process we may collect non-public information from you as a result of your completion of a consultation, evaluation, lab, testing, hospitalization, or treatment and other forms of information about you while you are a patient under our care.

## Sharing Information:

We may share information with certain non-affiliated companies or individuals in regards to your case and on your behalf to comply with legal or regulatory requirements. These may include the followings: physicians, hospitals & medical facilities, diagnostic centers, labs, pharmacies, pharmaceutical companies, insurance companies, state agencies, clearinghouses, and medical drug studies. We may also disclose information to our affiliated companies.

I have completely read and I fully understand and agree with all of the above.
